

SCHOLASTIC ACHIEVEMENT PROGRAM

Dear Teacher,

My name is _____, and I am a new student in your class this year.

I am also a martial arts student at Lindamood's Taekwondo America.

This letter is my promise to you that I will apply the character lessons that I've learned during martial arts training while I'm a student in your class, on the school grounds and with my friends and family.

- ◇ I promise to be well behaved during class.
- ◇ I promise to keep my desk and classroom area tidy and clean.
- ◇ I promise to be excited about learning.
- ◇ I promise to have a positive attitude.
- ◇ I promise to concentrate when you are teaching.
- ◇ I promise to be confident and use self-control.
- ◇ I promise to try to be the best I can be.
- ◇ I promise to show respect to all teachers, students and school property.
- ◇ I promise to report bullies or other bad situations.
- ◇ I promise to do the homework you assign and return it on time.
- ◇ I promise to help other students with their studies, if they ask.

You're welcomed to contact Mr. Lindamood, my martial arts instructor, who would be happy to talk with you about the character lessons I'm learning in his class.

Sincerely,
